IT'S HERE!

Our summer series FREEWAY: A Not-So-Perfect Guide To Freedom begins this Sunday. I will be preaching an introduction to the series and sharing stories and testimonies of people who have truly been set free from the crippling bondage the enemy longs to keep us in. Nelson Mandela, a great champion of freedom, once said, "There is no such thing as part freedom. "What a great statement that I honestly believe many of us Christians don't live by. Too many of us live with one foot attached to the victory of the cross that gives us true and final freedom while we attempt to keep one foot captive by the snares of our adversary. However, we are all very creative in our masking and hiding of the chains we find ourselves still shackled to. Somehow we have bought into the lie that we can have part-freedom and somehow live as healthy believers. We wrap our shame, guilt, hurt, and wounds with a smile and we guard ourselves from ever being found out that we actually are in great need of Christ's sacrificial freedom.

I want to invite everyone to take off the mask, drop the chains, walk away from the masquerade and enter into a God-given, Jesus-blood-bought freedom that can destroy whatever has held you captive. If you have already found this victory in your walk with the Lord please join me in praying for the hundreds who have not yet tasted the sweetness of true freedom. Work alongside side us by engaging in the series to be a light and testimony to others who need to see authentic freedom.

Freeway workbooks are available for \$15 in the church office or they can be purchased Sunday in the Fellowship Hall. Please do not let the amount keep you from purchasing a book. We would love to see everyone working through this series together.

Let freedom begin to ring out in the church house this Sunday!

Bryan Tabakian, Discipleship Pastor
